

Erick Saavedra Herrera

Software Developer

esvdrh@gmail.com | +51958461462 | Rioja, Perú

[LinkedIn](#) | [GitHub](#) | [Portfolio](#)

As a passionate software developer, I specialize in technologies such as JavaScript, Node.js, Express.js, Svelte and Ruby. My journey in the world of programming began at a bootcamp in Lima, where I discovered my love for coding and technological innovation. Since then, I have been dedicated to building effective solutions and constantly expanding my technical knowledge.

SKILLS AND LANGUAGES

JavaScript, Node.js, Svelte, React, Ruby, Ruby on Rails
Sinatra, RabbitMQ, EC2, RDS
Netlify, Heroku, Vercel and Google Cloud

Git and GitHub
Databases: MongoDB, PostgreSQL and MySQL
English language at an intermediate level (B1)
